### TALK OF THE TURF.

Blitzen's Constitution and Heart May Be Broken by Too Much Racing.

### TURFMAN REED RETURNED.

Many Complaints of Poor Transportation to the Guttenburg Track.

"Virginia" Bradley's game little colt Blitzen again carried the black and orange to victory at Guttenburg yesterday, disposing of King Crab and Fenelon with the greatest ease, simply cantering home a winner by five lengths. This good son of Blazes seems to grow better the harder he is raced, but even his hardy constitution and heart will be broken under the treatment he is receiving at present. Each day this week has been asked to race. Monday he was beaten by Bel Demola. Tuesday, at six furlongs and in a heavy snowstorm and on the worst track imaginable, he shouldered top weight and easily defeated King Crab, Lord Harry and Little Red. Yesterday he was asked to go half a furlong further against King Crab, and he duplicated the performance of the day previous.

It is estimated on good authority that Starter James Lowe will go to California and handle the big at the Bay District track. Starter Ferguson has been doing the work, but he has no time to go to California. The Californians are anxious for him to come, and the chances are he will leave Sunday.

Charles Reed, the widely known breeder and turfman, arrived home on the day of New York yesterday. Mr. Reed is home from a trip to Argentina. He has been to buy Ormonde, but was beaten by W. O. McDonough, who got the famous sire to take the race. He has been to buy Ormonde, but was beaten by W. O. McDonough, who got the famous sire to take the race. The Gloucester talent suffered a severe loss yesterday again, six favorites going down in rapid succession. There was a big plunge in J. B. Freed yesterday, and the way he started in the race more than flattered his backers. After leading for nearly half the race, he was dismounted in his head and at the end of the race his backers would have gotten part of the money.

The next time Gloucester runs up against fair company at anything over a mile in a heavy track, he will get his race. Gloucester was especially good. Getting off and remaining last till the stretch, he came with a rush at the end, and had the distance between him and a mile further behind him.

Red Lower went around betting \$500 at a clip on Fable yesterday, and, needless to say, the bookies were sick after the race.

Chandler ran up to get yesterday. On Tuesday he could not get out of his own way.

It is reported that Charles Fleischman has a phenomenal year to go down at Guttenburg. He is reported to have gone three furlongs in 0.36.

There promises to be another clash between the Louisville and Nashville jockey clubs. The Louisville jockey club has been defeated by the Nashville club that they would race from March 10 to 10 inclusive, irrespective of any date.
